"The Commonwealth of Virginia
"To all to whom these presents shall come, greeting:
"Know ye that our Governor, in pursuance of authority
"vested in the Executive by Law, doth hereby constitute and
"appoint John Godfrey Miller a Director on the part of
"the State for the Farmers' Bank of Virginia at Winchester,

"Witness William Smith, our Governor,
"at Richmond, this twenty seventh
"day of January in the year of our Lord
"one thousand eight hundred & forty seven, and

Wm Smith"

which papers having been read Mr. Williams offered the following resolutions, to wit:

1. Resolved as the opinion of this Board, that under its charter all of the new Directors who have not served three consecutive years are re-eligible.
2. Resolved that as George W. Bacon when appointed by the Executive a Director of this Branch, had not three years

served three consecutive years — as he was a stockholder having the requisite amount of stock — as he was under no personal disability such as rendering any other opinion; that said George W. Baker was duly appointed a Director of this Branch, and that as he had qualified as Director & acted as such, before the commission of the Executive appointing John Godfrey Miller Director in room of Geo. W. Baker, as "unlawfully appointed," was received; that in the opinion of this Board, as to present advised, the said George W. Baker is now a Director of this Branch.

Resolved that these resolutions be communicated to the Executive with a respectful request to reconsider its action.

Mr. Bruce moved to amend said resolutions by striking out all after the word "Resolved" in the first resolution, & inserting the following:

That before any opinion be communicated to the Executive as requested by this Board in reference to the appointment of Directors as herein mentioned, that Jones Marshall be consulted, his views ascertained as to the construction of the Law regarding the ineligibility of Bank Directors.

Mr. Sweeney moved to amend the amendment by referring the whole subject to a committee to consider & report thereon to the Board at a future meeting, & to take the opinion of counsel thereon, if they shall deem it necessary.

Before Mr. Sweeney's motion, the ayes & noes were ordered to be taken upon his proposed amendment to Mr. Bruce's

amendment to Mr. Williams's resolutions, & resulted as follows:

Ayes: Messrs. Bruce & Sweeney.
Nays: Messrs. Williams, R. L. Baker, Pue & Campbell.

So the amendment to the amendment was rejected.

Upon Mr. Sweeney's motion the ayes & nays being ordered upon Mr. Bruce's amendment, it was decided in the negative as follows:

Ayes: Messrs. Bruce & Sweeney.
Nays: Messrs. Williams, R. L. Baker, Pue, & Campbell

The question recurring upon Mr. Williams's resolutions the ayes & nays were taken, which they were severally carried as follows:

Ayes: Messrs. Williams, Baker, Pue, & Campbell.
Nays: Messrs. Bruce & Sweeney.

Mr. Bruce offered the following resolution:

Resolved, that a copy of the letter of John G. Blair Esq. to the Board of this Office, dated Jan 25. which was received & the letter on the morning of the 27th January 1844, & laid before the Directors at their meeting on Thursday the 28th. Inst. before the organization of the Board & that the oath required by the act of 1840 was administered to the Directors, be certified to the Executive with the foregoing resolutions.

And the question upon the adoption of said resolution being taken by ayes & nays, on the motion of Mr. Bruce, it was decided in the affirmative, as follows:

Ayes: Messrs Williams, Baker, Pue, Bruce, Sweeney

Hamphill. Nays: none.

Mr. Bruce then moved that all correspondence with the Executive be postponed until the President of the Mechanics Bank is heard from in answer to a letter this Board addressed to him by the Cashier of this office requesting the action of the Executive in reference to the above.

And the question thereupon being taken by Ayes & Noes, it was decided in the negative as follows:

Ayes: Messrs. Bruce & Simmons.

Nays: Messrs. Williams, Burke, Peck, Hamphill.

Mr. Bruce moved, that if any part of the proceedings had to day on the subject of the foregoing resolutions shall be certified to the Executive, that the whole shall be certified.

Mr. Williams moved the following resolution as a substitute for the motion of Mr. Bruce:

Resolved that all the proceedings of the Board this day in relation to the appointment of John G. Miller in room of George W. Burke, together with all the proceedings of the last board in relation to the organization of the Board, the appointment of a Director in room of James M. Mason resigned, & the appointment of a President, be communicated with the foregoing resolutions to the Executive.

"Winchester. Septr. 2. 1847

"To the President & Directors of the Office of
"the Farmers Bank of Va. in this place.

"Gents.

I receive under date of the 26. ultimo a written communication from Jos. R. Thomas Esq. Cashr. and addressed to me by request of the Board of Directors of the Office of the Farmers' Bank of Va. in this place, and inclosing extracts from the minutes of the Bank in relation to my absence from the Board, requesting my attendance as a member, or asking me to resign.

Having been a Director in the Bank about 15 years, & having most decidedly attended the meetings of the Board, I must say that the course which the Board has pursued towards me in this matter, is most extraordinary & without precedent. I will, however, take the subject into consideration, & should I determine to resign the Office of Director, it will form the subject of another communication. Reasons which it is not necessary for me to state to the Board will have prevented my attendance; yet, I always said to Mr. Thomas, that I would always gladly attend whenever my presence was necessary to form a Board, & that the regular business of the Bank should not be interrupted on my account.

I have to request that this, my answer, may be placed

on the minutes of the Bank.

Respectfully &c &c.
